## License Agreement

All sound purchased from [www.soundofessen.com](http://www.soundofessen.com) and [www.soundcloud.com/soundofessen](http://www.soundcloud.com/soundofessen) , <https://www.asoundeffect.com/sounddesigner/sound-of-essen/> and <https://sound-of-essen.itch.io/> are free to use, as a single user, in any of your commercial and non-commercial work, this agreement includes (but is not limited to) the following:

- You can store and duplicate the sounds unexclusively, worldwide, and without termination for your own personal and commercial use.
- You can perform the sounds to audio or video without attribution to the original recordist, and may include them in other media such as but not limited to video games, music, film, tv, radio, theater, podcast, etc..

Please contact us though before you use any of the sounds in a political campaign. We don't like fascists.

Also don't sell the sounds “as is” or slightly edited as part of a sound library or on sound effect sites such as Pond5, Sounddogs etc.

Also licensor (we) is not liable for any damages of business or loss of profits resulting directly or indirectly from the use of any of Licensor's Sounds.

For Multi-User Licenses or the use in toys, please get in contact with me, these licenses are not included in your original purchase.

The agreement is governed by the law of Essen (Germany).

We are always love hearing of the projects the sounds were used in, so please drop a mail if you created some work with our sounds.

If there are any questions, please don't hesitate to get in contact.

Best regards,  
Nils Mosh
